

# ASSOCIATION OF APPLIED BIOLOGISTS FORWARD CONFERENCE PROGRAMME

**2010**

- 29 June - 1 July **Landscape Management for Functional Biodiversity**  
Holiday Inn, Impington, Cambridge, UK (IOBC/WPRS)
- 5-7 September **International Advances in Plant Virology**  
Papendal, Hotel en Congrescentrum, Arnhem, the Netherlands  
(Virology Group/Dutch Circle of Plant Virologists)
- 7-9 September **Delivering Food Security with Supply Chain Led Innovations**  
Royal Holloway, Egham, Surrey (OECD/Food Systems Group)
- 14-15 September **3rd Symposium on Potato Cyst Nematodes**  
Harper Adams University College (Nematology Group)
- October (1 day) **Development of new technology by machinery manufacturers**  
Venue to be confirmed (Pesticide Application Group)
- November (2 days) **Advances in biotechnology and molecular plant breeding**  
Rothamsted Research (Plant Physiology & Crop Improvement Group)
- 7-8 December **What makes an alien invasive? Risk and policy responses**  
The George Hotel, Edinburgh (Cropping & The Environment Group)
- 14 December **Advances in Nematology**  
Linnean Society of London, Piccadilly, London, UK (Nematology Group)
- 15-16 December **Water and nitrogen use efficiency in plants and crops**  
Olde Barn Hotel, Marston, Lincs (PP&CI Group)

Further information about the AAB and online booking for these conferences is available on the AAB website

# International Advances in Plant Virology

Organised in collaboration with the  
Dutch Circle of Plant Virologists

to be held at Papendal, Hotel en Congrescentrum, Arnhem, the Netherlands  
on 5-7 September 2010

**CONTRIBUTIONS ARE NOW INVITED**

**DEADLINE FOR CALL OF PAPERS IS EXTENDED TO 30 JUNE 2010**

The programme for this conference will be open to any topics or areas within basic or applied plant virology, will include all current areas of interest to Plant Virologists and will consist of presentations by invited speakers as well as offered papers by conference delegates.

We welcome submissions from established researchers, post-docs and students. The meeting will include the student competitions as outlined below.

Confirmed speakers include:

**Michael Taliansky** (SCRI, Dundee)

**Sven Behrens** (Martin-Luther-University Halle-Wittenberg Institute of Biotechnology, Germany)

**Carole Caranta** (INRA, Montfavet, France)

**Miguel Aranda** (CEBAS, Murcia, Spain)

## *Student Prizes*

Student prizes will be awarded for the best talk (Bryan Harrison prize) and best poster (Raymond/Roger Hull prize). If you are a student, please indicate if you would like to be entered for one of these prizes.

Papers and posters from the conference will be reproduced in an Abstracts book, which will be available to delegates at the conference. Please send details of your proposed talk or poster to the AAB office (Email to [Rebecca@aab.org.uk](mailto:Rebecca@aab.org.uk); Fax +44 (0)1789 470234). Alternatively you can submit your offer via the web page, giving the title of the paper, authors, affiliations and a short synopsis of your paper. Click on ABSTRACTS in the left hand column of the AAB home page, then click on the conference title. You can register your email and, after being sent a password, can upload your offer. Please indicate whether your offer is for a platform presentation or a poster. Please ensure your pop up blocker is off, otherwise the Abstract may not upload properly.

To date, we have received 21 offers of platform presentations and 22 offers of posters, but we can still accept offers until the end of this month. We would particularly welcome more offers from our Dutch colleagues.

Further details can be found at <http://www.aab.org.uk>
